

ACT + Writing Discussion Points

2018-19 Academic School Year

- Are scores from this test able to be reported to 4 year colleges as well as technical colleges?
- Is my student “College and Career Ready?”
- What types of classes will provide should my student be taking next year if they want to be “College and Career Ready”?
- Can these results be used if my student decides later to apply to a school? Did they have to indicate which school to send results to at the time of the test?
- How will the school use the results?

As with any assessment, this is only one measure of a student's academic performance. It is only through *multiple* assessments (for example, teacher developed assessments, state and district assessments) that we are able to develop a clearer picture of a student's current level of performance as well as their growth over time.

Further information and resources for families and educators about this and all district and state assessments can be found on our website: mmsd.org/assessment
