

High School Civics Test Notes, 2019-20

While the Madison Metropolitan School District has developed this Civics Test, it is important to understand that there may be errors. We have made every effort to check for accuracy. We will correct them as we find them, but please understand that you should review these prior to giving the test. Please email Tim Peterson if you find an error: tpeterson2@madison.k12.wi.us

Please note the following:

- The test will be updated to reflect the outcome of State and Federal elections. The updated versions will be available, in various languages, typically within a month of the official changes in office holders.
- If a district other than MMSD uses this test as a guide, please understand that Question #23 will need to be changed to represent who is the US representative for your district.
- The Supreme Court questions represent current membership.
- All language versions have the same answer sequence. You will also need to change question #23.
- There is an audio version on the MMSD web site. This could be used for ELL students who may need a little extra support. Again, question #23 represents Madison's representative.

- Audio versions are mp3 files.
- English, Spanish, and Mandinka language audio versions are available.
- American Sign Language (ASL) video version of each question (not answers!) have been produced. This has been done with the support of the Wisconsin School for the Deaf in Delavan, WI.
- MMSD currently uses the Qualtrics platform for giving the Civic test. This platform supports multiple languages. More information can be found at the MMSD Civics Test website:
