Coming Soon

- **AP Exam Demo:** On **May 4**, you'll be able to practice submissions through the exam demo, which will give you click-through practice for the different ways to submit your responses to this year's AP Exams.
 - We encourage all students to take this important preparation step.
 - This will help you avoid technical difficulties on the day of the exam.
 - The demo will be generic across subjects, and not a practice exam. See below for info on a specific video and demo for world languages exams.
- **AP Prep Week:** Next week, the online [AP Classes and Review Sessions](#) will focus on the exam day experience and sample exam questions.
- **Two Days Before Exams:** You'll receive an email with your exam e-ticket 48 hours before your exam. Be sure to check what time your exam will start in your [time zone](#).
- **Portfolio Submissions Due:** AP Computer Science Principles, Seminar, Research, and Art and Design submissions are due by May 26, 11:59 p.m. ET.

Information for AP World Languages Exams

- A video specifically about the test-taking experience for AP Chinese, French, German, Italian, Japanese, and Spanish Language and Culture exams will be available the week of May 4.
- The world languages exams will be administered using a new dedicated app—the **AP World Languages Exam App (WLEA)**. Students taking these exams **must use this app on smartphones or tablets, not on laptops or desktop computers**. This free app will be available for download from the Apple App Store and Google Play Store the week of **May 11**. We'll email students and their teachers to let them know when the app is available to download. Visit [our site](#) for more details.
- [Accommodations details](#) for the above exams are also available now.

- If you're unsure whether you can access the app, or if you don't have a device, you can fill out this [survey](#) as soon as possible so we can help support you (applicable to U.S./U.S. territories).

Information for AP Music Theory Exams

- Before exam day, students will need to print or hand-copy the 2020 Music Theory Answer Sheet and have access to an audio recording app or software. Please see more information on the [website](#).

Sincerely,
